We have identified that, in general, students from disadvantaged backgrounds as defined by Pupil Premium status achieve lower levels of attainment and progress than the rest of their cohort and we are determined to eliminate this gap.

In the 2020-21 academic year, we have set out to achieve the following outcomes:

1. Improve absolute attainment levels of PP students
2. Close the attainment and progress gaps relative to non-PP students
3. Improve the attendance of PP students
4. All PP students to be happy, enthused and recognising their potential
5. Addressing specific issues that impact performance of individual students

All Hallows Pupil Premium students finish their GCSE studies having made considerably more progress than PP students nationwide, and are achieving higher, on average, than the national non-PP students in attainment. We continue to do all we can to close the PP gap within our own school and this will continue to be a whole school drive.

What we are doing to achieve this?

The school received £95,125.41 for Pupil premium funding for the year 2020/21. We have then provided the initiatives below specifically targeted at the areas of focus listed above.

- a) Enhancing reading, writing and mathematics skills for PP students
  - ❖ 1:1 teaching for PP students identified as in need of additional support in Maths and English
  - ❖ Small group teaching to allow teachers a greater focus on PP students
  - ❖ Small group reading sessions to improve literacy skills
- b) Using extra-curricular provision to engage students and develop a depth of learning
  - ❖ Music lessons for PP students who demonstrate musical interest and talent but are unable to afford lessons
  - ❖ Assistance with the costs of curriculum trips for PP students

- ❖ Learning and teaching CPD for all staff to support specific learning and teaching techniques in the classroom
  - ❖ Training for the Pupil premium Lead Governor, to enable them to support the PP students at Governor level
- c) Engage PP students and parents with school life, encouraging them to be happy, enthused and recognising their potential
- ❖ Focused Careers Advice for PP students
  - ❖ Teaching assistant time focused on PP students
  - ❖ Counselling
  - ❖ Support from Surrey County Council Educational Welfare Officer to identify and address the root causes of poor attendance
  - ❖ Provision of uniform for PP students if required
  - ❖ Breakfast Club
- d) Addressing specific issues that impact the performance of individual students
