### Our School Vision

Our vision at All Hallows is to form happy, successful students who reach their full potential and leave the school with integrity and moral purpose. We want a whole school experience that everyone would wish for their own children. We put our students at the heart of everything we do, guided by the truth and love of Christ.

All Hallows Catholic School is asking for the support and understanding of our visitors in helping us minimise the risk of COVID-19.

All Hallows continues to take guidance from Public Health. Taking this into account, we are now limiting access to the site to essential visitors only. If you are unsure as to whether your proposed visit is considered essential, please email the School Front Office, [admin@allhallows.net](mailto:admin@allhallows.net).

**Where practical, please can all visitors to the School pre-arrange their visit.**

If your visit to All Hallows is an essential one, we would nevertheless ask that you refrain from visiting if:

- you have travelled from or transited through any of the countries or areas that are currently on 'lockdown' in the past 14 days;
- you have developed a fever (above 37.8C) or a new, continuous cough within the last seven days;
- anyone in your household is required to self-isolate in accordance with Government guidelines.

If you are bringing a team for a fixture or a similar event, we ask that you have checked that none of the members of this group fall into either of the categories above.

Along with all members of the All Hallows Family, any visitors to the School should wash their hands with soap and water before leaving home and once they arrive at school. Gel hand sanitiser will also be available on arrival and throughout your visit.

For the avoidance of potential embarrassment, we would also like to advise you that the School is currently operating a 'no handshake' policy for all members of its community.

We apologise for not being able to give you our usual warm welcome, but we must take the current situation very seriously and look after the welfare of our pupils and staff.

As the COVID-19 situation is changing rapidly, we would ask that you check this page again immediately prior to your visit in case our position has changed.

We thank you for your understanding and support.
