

Friday 28th May 2021

Dear Parent or Carer,

This half term we have seen the recommencement of many events in school, including the expedition phase of the Duke of Edinburgh Award, Away Days and extra-curricular clubs. Additionally, it has been wonderful to hear the students talk with joy at how their sports clubs and groups have returned outside of school with some students preparing for their Confirmations in our local parishes.

With plans for the Year 11 and 13 celebration events coming together and other events coming into the diary, there is much to look forward next half term.

Home testing

Students received a box of tests today, enabling them to complete twice-weekly tests over the May half-term break and beyond. I encourage all families to continue to engage with the asymptomatic testing process.

Please be advised that home testing does not replace symptomatic testing - if you present with symptoms of Covid-19 you must isolate immediately and book a PCR test to confirm.

Should your child test positive please inform the school via admin@allhallows.net.

The symptom-free tests for households are not available from schools or colleges. Households can get a test by booking an appointment online at a [symptom-free](#) testing site, or by collecting a home-testing kit from a [designated](#) collection point or, if unable to travel to a site, by ordering a kit online. You can find out more at surreycc.gov.uk/symptomfreecovidtesting.

Please remember if your child, or a household or bubble member, develops COVID-19 symptoms, [do not use symptom-free testing](#). Please book a free test at gov.uk/get-coronavirus-test or call [119](tel:119).

Wishing all members of the Family a restful, peaceful and prayerful May half-term, and I hope good weather allows for people to enjoy quality time together.

Yours faithfully

M A Baines
