Dear Parent/Carer,

Transform, Lead, Inspire - Teach

**Get into Teaching Information & Coffee Morning at Weydon School, Farnham
Saturday 9th October 2021 9.30am to 11.30am**

There has never been a better time to become a teacher. Your classroom is where it all happens – excitement, discovery, awe and wonder. You'll need to be ready for a challenge, be capable of contributing to a team of committed professionals and want to make the most from a career that grows and develops with you.

The i2i Teaching Partnership SCITT is a highly regarded provider of secondary initial teacher training across Surrey, Sussex, Hampshire and Berkshire. Our programme provides high quality school-based training that enables our trainees to develop into confident and competent professionals and we are praised for our personal and supportive approach.

We are proud to work with other local providers and regularly work together to promote primary, secondary and special needs teacher training programmes. If you are considering a career in teaching we would like to invite you to join us at our **Get into Teaching Information and Coffee Morning** on Saturday 9th October 2021. At this drop-in event you will be able to:

- speak to teaching experts and practising teachers to receive one-to-one advice on training options and find out about teaching as a career
- meet representatives from Secondary, Primary and Special Educational Needs teacher training providers
- find out more about routes into teaching, gaining school experience, the application process and the funding available.

Please note that in order to train to teach you need to hold an Honours Degree. This event is for undergraduates, recent graduates and those considering a career change, not for school age children.

If you are interested in attending this event, please visit our [web page](#) where you will find a [link](#) to sign up. If you are unable to attend this event but are interested in finding out more please email Krissy Taylor at ktaylor@i2ipartnership.co.uk
