

## Our House System

Pupils join one of our 8 Houses when they start the school in Year 7 and remain a member of their House during their time at All Hallows.

The Houses reflect the 8 school Saints and comprise of:

- Alban (Red)
- Clare (Yellow)
- Edmund (Green)
- John (Blue)
- More (Purple)
- Pole (Orange)
- Swithun (Black)
- Hilda (Pink)

Saint Alban

Saint Clare

Saint Edmund

Saint John

Saint Thomas  
More

Blessed  
Margaret Pole

Saint Swithun

Saint Hilda

The House System celebrates the success of all our students who strive to achieve their best in all aspects of the school. Students regularly earn house points for excellent effort and demonstration of the school Core Values.

Achievement of house points is celebrated through our pastoral team: form tutors, Heads of Year, Heads of Key Stage and the Senior Leadership Team. Celebration of the school Core Values is recognised with rewards for both form group and individual achievement.

The house system encourages all students to get involved in the many inter-house competitions within subjects, form time and extracurricular activities. The vast selection of events reflects our intention to make our house system holistic and engaging, focusing on the many talents and interests of our students.

As students move into the sixth form at All Hallows, they have the opportunity to become involved in running the Houses. Each house has two house captains who are voted in by their fellow students. House Captains are involved in running the termly house competitions and house assemblies which promotes student leadership and responsibility.

Regular charity events are run each year to help raise funds for the school's chosen charities.
