Dear Parent/Guardian,

Transform, Lead, Inspire - Teach
Virtual Get into Teaching Information Seminars

Imagine a career in which you can make a lasting difference to young people's lives. From helping a student get to that "light bulb" moment to helping shape the lives of the next generation – **teaching** is a challenging but incredibly rewarding profession that is full of meaning.

Your classroom is where it all happens - excitement, discovery, awe and wonder. As a teacher, you will face a host of competing demands and challenges, but for every challenge you will find an equal or greater reward.

At All Hallows, we work with The i2i Teaching Partnership SCITT, which is a highly regarded local provider of secondary initial **teacher training** across Surrey, Sussex, Hampshire and Berkshire, with training hubs at Weydon School in Farnham and Reigate School in Reigate. Our programme provides high quality school based training that enables our trainees to develop into confident and competent professionals and we are praised for our personal and supportive approach.

We are delighted to announce a series of online webinars aimed at providing anyone thinking about teaching as a career with a means to explore the profession 'virtually'. Current social distancing restrictions have created new obstacles to those seeking to gain experience of and information about teaching, and we hope that our online webinars go some way to overcoming this.

Our virtual information webinars are aimed at undergraduates, recent graduates and career changers, and will provide information on how to become a Secondary school teacher, the qualifications needed, how to gain school experience, funding options and how to apply. You will also have the opportunity to ask questions to our panel of teaching and recruitment professionals.

Webinars commence on Thursday 1st October and will be run by current teachers and teacher training professionals. Each seminar will run for 30-45 minutes and provide the opportunity for participants to ask questions to the panel.

For further information and to book your place please visit the i2i website events page at <https://www.i2ipartnership.co.uk/443/upcoming-events>

We look forward to you joining us!

Yours sincerely,

Mrs T Parry, Initial Teacher Training Lead, All Hallows Catholic School
and
