Monday 12th July 2021

Dear Parent or Carer,

Extension to period of Remote Learning for Year 7 - 10

As you will be aware, we moved to remote learning a week ago for Years 7 to 10. Since then we have continued to see an increase in cases and isolations for students and staff. In consultation with Surrey County Council, the Governing Body and the Diocese, we have made the difficult decision to extend this period of remote learning through this week, with the intention to welcome students back into the school from Monday 19th July.

This decision has been made with a heavy heart, with the safety and wellbeing of the students and staff at the forefront of our minds. Thank you for the kind notes of support, they are deeply appreciated by all staff.

We will review the situation on Friday 16th July and communicate to you on that day our next steps. Please be advised that Year 12 students will continue to receive lessons on site, as this year group has remained unaffected by this outbreak.

Students who are currently isolating, should continue to do so until the date specified on their letter, all other students are not expected to isolate whilst learning remotely.

We will maintain contact with PHE and Surrey County Council, and encourage all students to continue to LFD test twice weekly. In addition to pharmacies local to you, LFD test kits remain accessible for you collect from the School Office. Should your child test positive via LFD, please follow up with a confirmatory PCR test and inform the school of any positive results.

Music Concert

Regrettably, the Summer Music Concert due to take place on Thursday 15th July has been cancelled.

We do understand that this will be challenging and disappointing for many of our students and parents, so we thank you in advance for your support.

M A Baines
