Dear Parent or Carer,

ARISE Workshops

I am delighted to inform you that as part of our PSHE programme, we have arranged for ARISE (Anti-Racism in Schools and Education) to lead sessions for all students.

ARISE provides anti-racism training and workshops for teachers, other school staff and students. With an increasing awareness and desire for schools to support their diverse student bodies, we believe it is more important than ever to invest in educating and training our staff and students in all aspects of anti-racism.

Students will be attending the sessions in year groups with their Head of Year across **Tuesday 24 and Wednesday 25 January** for one lesson. The students will be told when they are attending by their tutors. Year 13 students will be required to stay to attend the session on Wednesday during Period 3, even if they do not normally have a timetabled lesson.

The staff will also be receiving training from ARISE prior to the students' sessions.

Please feel free to visit the website to gain further detail on the content of the workshops: [ARISE website](#)

If you have any questions, please do not hesitate to contact the school.

Yours faithfully,

Miss Milnes
Head of Upper School
