Dear Parent or Carer,

We are looking forward to celebrating Mass and the students' achievements from throughout the year, when we see them tomorrow. Over the summer break I hope everyone has an opportunity to rest and reflect on their successes and what has made them feel proud.

## Return to school

We are continuing to plan for a full reopening in September and I will write nearer to the new term with additional information regarding this and any new procedures that are required. The Government Guidance has changed and the removal of 'bubbles' means that we should be able to return to a normal school experience for our students.

One of the most significant changes will be the return to our normal school day, with registration at the [beginning of the day](#), so all our students can share break and lunch time together.

## Buses in September

Buses will run as normal in September, if there are any changes we will let you know.

## School Catering

A breakfast service is available in the canteen from 8.20am to 8.45am, and break and lunch time service is available from the canteen and Maddens outside.

There is a wide selection of high-quality meals, snacks and drinks. Due to rising costs, our prices are increasing for the first time in two years, with the main meal set at £2.45. Please find more information on the [menu and prices on the school website](#).

In addition, as part of renovations of the Sixth Form College, Father Dans will be reopened with a new menu for the Sixth Form students. We look forward to sharing pictures once these works are completed over the summer break.

## Testing

Asymptomatic testing remains vital to reduce transmission of Covid-19, please continue to test twice weekly throughout the summer. You will receive a separate email at the end of the holidays with information about onsite testing in September and how to give consent.

Thank you to all members of the All Hallows Family, whether it be students, parents, carers, or staff for your support throughout this year. I am looking forward to seeing everyone back in school in September.

Please continue to check your emails through the summer, as we will update on our procedures and processes you once Government Guidance is finalised.

I wish you and those you love, a restful, peaceful and fun summer break.

Headteacher
