

Events Programme 2023

All Hallows Catholic School

The PTA formed in 2018 and despite lockdown have achieved a lot. It supports student wellbeing and other projects that will help improve the experience or opportunities for students. Meetings are a couple of times a term and with one social event a term, so the commitment is much lower participate in the PTA and you can feel rewarded by contributing back to the school.

The PTA also actively support the careers programme and have facilitated getting a pool of over 100 parents to share their career experience with informal talks at careers days.

The PTA supported setting up and running a Careers and alumni portal using Future First (www.futurefirst.org.uk). We are looking to build a strong alumnus and gain support and input from parents and others in our community.

ParentPower - Parents making a difference to students

If students have access to the diverse experiences within our parent/guardian community, this will help them make better choices in their careers.

With the wide pool of student interest, there are going to be students interested in your career experiences and they can learn from what you share, to make their own choices. So please sign up via the link below.

Please complete the Parental Survey, which is on the schools' forms system.

<https://tinyurl.com/AHS-Parental-Survey> then the PTA will follow up with you on the next steps with FutureFirst etc.

PTA Social and fundraising events

We hold a series of great social events throughout the year and we welcome your support as funds raised directly help students at All Hallows.

PTA events are open to parents from feeder schools and the wider community. They are a fun way of helping to support the school and you get to enjoy yourself at the same time. The PTA welcome new members and people who can help, whether its regularly or just a one off at an event. Please fill in the Parental Survey
